Coast Guard Approval Number: 161.012/22/0

Expires: 01 July 2024

PERSONAL FLOTATION DEVICE LIGHT

ACR ELECTRONICS, INC.  
5757 RAVENSWOOD ROAD  
FORT LAUDERDALE FL 33312-6645

Model ACR/L8-3 Rescue Lite.

Complies with the requirements of 46 CFR 161.012. Acceptable for use on all U.S. registered vessels not on international voyages.

Water-activated personal flotation device light with plugs to over-ride water sensor for extended life. Device uses an incandescent filament bulb. Light bulb assembly connected to battery assembly by an electrical wire.

Power source is one non-replaceable ACR/L8-3 copper-halide magnesium battery with expiration date not to exceed 7 years from date of manufacture. Battery dated by ACR Electronics.

Must be marked in accordance with 46 CFR 161.012-15 with approval number 161.012/22/0.

Identifying Data: L8-3 Assembly with Lamp drawing No. A3-06-1689 Rev. H dated July 28, 2019.

Certification based on Imanna Laboratory Test Report 12512-1 dated May 12, 1992 and 12552-1 dated July 14, 1992.

Production test report in accordance with 46 CFR 159.007-11 and 161.012-13 due annually in June.

Extends previous certificate dated July 1, 2014 and updates assembly drawing to rev. H.

\*\*\* End \*\*\*

THIS IS TO CERTIFY THAT the above named manufacturer has submitted to the undersigned satisfactory evidence that the item specified herein complies with the applicable laws and regulations as outlined on the reverse side of this Certificate, and approval is hereby given. This approval shall be in effect until the expiration date hereon unless sooner canceled or suspended by proper authority.

GIVEN UNDER MY HAND THIS 01<sup>st</sup> DAY OF  
JULY 2019, AT WASHINGTON D.C.

B. A. BALDWIN  
Chief, Lifesaving and Fire Safety Division  
BY DIRECTION OF THE COMMANDANT

TERMS: The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

NOTICE: Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
