ISSUE DATE: 28-sep-2020

EXPIRATION DATE: 17-nov-2024

ELECTRONICALLY
SIGNED BY: E. Brina

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment, which have not been notified to, and agreed with the notified body named on this certificate.

Should the specified regulations or standards be amended during the period of validity of this certificate, the product(s) is/are to be re-approved prior to it/they being placed on the market and on board vessels to which the amended regulations or standards apply.

The "Mark of Conformity" may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E, or F) of ANNEX B of the Directive is fully complied with and controlled by a written inspection agreement with a notified body.

The attached document schedule forms part of this Certificate.

This certificate remains valid unless suspended, expired or withdrawn, provided the conditions in the attached schedule are complied with.

Entry Date: 28-sep-2020

Tel: +31(0)6-12595598

Equipment/Component:

Position-indicating lights for life-saving appliances:
for lifejackets

Model:

FireFly Pro lifejacket light – Manually activated;
FireFly Pro Waterbug lifejacket light – Water activated

Description:

High intensity LED strobe light for use with life vests, safety harnesses, float coats, work suits, immersion suits, backpacks and flying suits etc.

Intended Service:

For use with SOLAS approved marine lifejackets

Ratings:

High intensity LED strobe light for use with marine lifejackets
Visibility: 1 mile (1.6 km) to 2 miles (3.2 km)
Flash rate: 60 + 10 per minute
Luminous intensity: not less than 0.75 cd
Continuous operation: 8 hours minimum

Standards:

**European Union Marine Equipment Directive 2014/90/EU
referencing testing requirement of implementing
regulation 2019/1397**

SOLAS 1974 as amended. Regulations X/3, III/4, 7, 22, 26, 32 & 34;
IMO Resolution MSC.36 (63)-(1994 HSC Code) Section 8;
IMO Resolution MSC.48 (66)- (LSA Code) Section II;
IMO Resolution MSC.97 (73)-(2000 HSC Code) Section 8;
IMO Resolution MSC.81 (70) Part 1, Section 10

Service Restrictions/Limitations:

The light has not been drop-tested with an immersion suit. As such, the light is approved for use with lifejackets only.

Comments:

If there are any changes to the basic product or treatment procedure, final product needs to be re-tested and re-certified.

Should the specified regulations or standards be amended during the validity of this certificate, the products are to be re-approved prior to being placed on board vessels to which the amended regulations or standards apply.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to, and agreed with the Notified Body named on this certificate.

A Manufacturer's Declaration of Conformity shall be compiled and distributed in line with the requirements of Directive 2014/90/EU Article 16.

The Mark of Conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E, or F) of ANNEX II of the Directive is fully complied with and controlled by a written inspection agreement with a notified body.
